A bilingual book in English and Spanish! Un libro bilingue en ingles y en espanol! There was once a park bench made of sympathetic wood and friendly iron. Habia una vez un banco del parque hecho de madera comprensiva y hierro amable. This is the story of a park bench who wants to be friends with everyone who sits on it, and who just wants to help all of these new friends when they get into trouble. The carpenter who made the bench did not give it ears or a mouth, but with its positive energy the bench succeeds - only to find itself without a friend in its own time of need. Reminiscent of The Giving Tree, this is a story that maintains its optimism, to be read by and to your loved ones around a cup of hot chocolate or a spot of tea. Includes link to audio recordings in each language!.
