Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Growing up in the island of Trinidad and Tobago I was taught two key principles. The first, to love God including our fellow-man, the second, the benefits of learning. These principles have guided my life. I began applying them as early as Sunday School. Reading the stories about God, was the beginning of my love for Him and everyone. Teaching my friends what I learnt at Sunday School was exciting as I taught them what I learnt. I later on took this desire for learning into the academic world. I studied Religion, Business Management, Human Services, Public Administration. I took the LSAT (Law School Assessment Test) I was one of ten out of seventy selected for CUNY Law School Internship Pipeline Program. My success is a result of my inherent desire to learn. It is empowering as a God-given gift. I am fascinated as to how God has created us. We are created with an inherent desire to learn. Psalmist David writes we are fearfully and wonderfully made Psalm 139:14. I believe each individual on this earth has an enormous capacity to learn; How? Holy Spirit, God s spirit in us. It is because of this I created GestACave an educational program. It offers solutions to stimulate the inherent desire for learning in children. Not every child likes going to the library to learn. I can attest to this. As a volunteer America Reads Tutor, Test Quest Teacher, Substitute Teacher for Emotionally Challenged Students and a New York School of Urban Ministry Vocational Bible Study Teacher and Coach I am familiar with challenges facing children in learning. The answers are in the foundational stages of their life. GestACave was created to help. Welcome to...
