NEW JERSEY JOGRAPHY: A FUN RUN THROUGH OUR STATE! (THE NEW JERSEY EXPERIENCE)

Gallopade Intl, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: New Jersey Geography- Statistics say most kids know less geography than ever-don't let that apply to your students! Start by making sure kids know the main places & geographic features in their own state. Give them activities that pretend they are taking a cross-state bike tour, using free football game passes, jogging through the state, etc., & they'll find their way around in a hurry! Geography activities include information on counties, rivers, museums, historic places, sites of interest, colleges, bordering states, climate, topography, crops and more, all ready to reproduce! Approximately 30 activities and 200 geography related places and facts are covered. Students work alone or in groups and use maps, reference books or resource people to complete challenging riddles, matching games, word searches, fill-in lists, scavenger hunts, and completion exercises that reinforce learning, sharpen research skills, and provide a lively introduction to New Jersey.
