Subsequent to the heinous attack on the twin towers of World Trade Centre in Sept. 21, the USA had made stringent regulations for immigrant students and reduced the H1-B job quota. As a result, the students were aiming at alternative destinations like Australia, Canada and European countries. However, the situation has again eased considerably. The US universities have also been holding ? Study Melas? since the last couple of years. The book does not aim to encourage immigration to USA or any other country. It attempts to give necessary guidelines and information to aspiring immigrant students to USA so that immigration to and study and job in that country become possible without much problem. It presents necessary facts and figures, rules and regulations, hints and guidelines, pros and cons, etc. of going to the USA so that the prospective candidates and their...
