Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hello reader, I m Crazy. Odd title for a novel, I know, bit it got your attention, didn t it? Since Mr. Author here can t seem to think of a way to sum up my story in the traditional back cover/query letter style, I ve taken it upon myself to break the rules - cause that s what I do. I ll get to what the story is about in a minute, but first I m gonna give you the main reasons you ll want to read it. One: reading it will be great exercise; you may quite literally laugh your butt off! Two through sixty-eight: it s freakin awesome! Why? Because it s all about me! Sixty-nine through seventy-seven: need I say more? Oh yeah, I guess I do. Chaos drops me in the lagoon of an island in the middle of nowhere (which also serves as a prison for a super-hot mermaid named Shannon), like that s gonna hold me. Sure enough, right after I rescue Shannon, these pirates come along and, with a little persuasion, allow me to take over their ship. Commandeer I believe is the proper word, and thus begins the building of my fleet of scalawags. But wouldn t you know it, this guy I used to know before I was born starts to interfere with my fun, all because he wants to conquer the world or something. That ain t happening! Go ahead, I dare ya to read this novel.
