Brand New Book ***** Print on Demand *****.Mao Tse-tung was a Chinese communist revolutionary and founding father of the People s Republic of China, which he governed as Chairman of the Communist Party of China from its establishment in 1949 until his death in 1976. His Marxist-Leninist theories, military strategies, and political policies are collectively known as Marxism-Leninism-Maoism or Mao Zedong Thought. Mao Tse-tung was a prolific writer of political and philosophical literature and military strategy. On Guerrilla Warfare is probably Mao Tse-tung s most popular philosophical treatise. Mao Tse-tung s On Guerilla Warfare is his case for the extensive use of an irregular form of warfare as a military strategy in which small groups of combatants use mobile military tactics in the forms of ambushes and raids to combat a larger and less mobile formal army. On Guerrilla Warfare was written in 1937 to convince Chinese political and military leaders that guerilla style tactics were necessary for the Chinese to use in the Second Sino-Japanese War. On Guerrilla Warfare is often required textbook reading in many courses that encompass subjects such as History, Asia, China, and Military Strategy.
