Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

The board of visitors is pleased to report on the work accomplished in all departments of the hospital during the past year. Among the valuable additions to the equipment of the hospital during the year was a pulmotor, which was made possible through the liberality of Mr. Joseph Leiter. This instrument is expected to do much toward saving the lives of many persons who by reason of accident might otherwise be beyond the aid of a physician when discovered. The board wishes to record its appreciation of this gift of Mr. Leiter. The work of the ladies auxiliary and of the social service department during the year is set forth in detail in their separate reports. We desire to highly commend and to express our pleasure and recognition of the efforts of the ladies in those departments as well as of the sisters and nurses of the hospital. Clarence F.
