

Surviving Ebola: Tips for the Social Media Power User (Paperback)

By Max Simpleton

Juggernaut Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you afraid of Ebola I was. I won't lie. I was pretty scared when I saw the Expert on the Megan Kelly Show say that a typical Ebola victim produces 3 gallons of diarrhea a day. A DAY!!! Megan said we might be in for a pandemic, so there I was, an hour later at Costco, paused with my shopping cart at the bottled water section, torn between filling my cart with 2-gallon jugs of Arrowhead and feeling dumb I was prepping-and worse: They would know that I watched Fox News, not a good image for Portland. Anyway, IF. and I knew it was a big IF. I would somehow find myself curled up in bed fighting for my life with Ebola raging through my system-I surely wasn't going to run out of water!!! God forbid I would not be ready!.
