iUniverse, United States, 2009. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.College Is For Suckers -The First College Guide You Should Read is a frank and to-the-point buyer beware for anyone considering a college vacation. This book offers insightful information that could save you thousands of dollars! While exposing the hype associated with a traditional college education, this book provides you with valuable options for higher education in your pursuit of a successful future. Even if you are dead set on going to college, you can't afford to be without this book! Be aware of what you, as a college consumer, can realistically expect from a traditional four-year college. Don't be a sucker! College Is For Suckers -The First College Guide You Should Read. Shatters myths about the need for a traditional liberal arts education. Compares the hype with the actual value of a four-year degree in today's market. Peels away the extra fluff associated with the college experience and shows how you can be a well-rounded party animal on your own while attending trade schools, vo-tech programs or apprenticeships that actually prepare you for a career. Provides thought-provoking points to help you decide if college is necessary for you, or at least necessary for you now. Explains how college has actually dumbed-down due to grade inflation, ridiculous requirements, and outdated curriculums. Offers creative alternatives for achieving a marketable education. Lists valuable resources for obtaining knowledge, credentials and experience (other than a four-year college) and shares the secrets of successful professionals who never graduated from college. Explains the dangers of student loans and how college is not always a good investment.
