Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Monograph on Education: English in the Public Schools This monograph, like the one on the recitation, has been given its present form at the request of many teachers who have heard it in teachers institutes. It was not written for the edification of college professors, but for teachers in the common schools. The limits of this prefatory note do not permit me to acknowledge, in a more definite manner, my indebtedness to those whose suggestions I have used in writing these pages. The matter contained in this pamphlet has but slight claims to originality. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
