Frederic Artemis Dylan (Fred) is a rambunctious, curious, slightly sneaky afghan hound with a knack for getting into trouble. Fred is eager to explore the world and learn as much as possible. Some people might think he is slightly goofy, wide-eyed and innocent, but also capable of concocting elaborate plans and schemes. Those schemes often go awry leaving readers laughing as they journey along with Fred. Al, Fred s best friend, is an intelligent little owl who is systematic and a big fan of the scientific method. He believes problems can be solved analytically and one should ponder before making a decision, which is a great complement to Fred s headlong rush into life. What is the Story About? In this first book of the Fantastical Fred series, Fred learns the Three Dog Laws from his parents. He uses these 3 laws to grow from being the runt of the litter to a big dog with a world famous smile.until one day he loses that very smile. Join Fred and Al as they solve the mystery of the missing smile. Their process will have you laughing out loud! Can I get the Audio Version of the Book for Free?
