Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Faith is not blind. Our faith has been learned by experience since the dawn of time. Experience has taught us that God has always provided for our needs. Our lives, and the lives of our ancestors, all the way back to the very beginning of life, have been filled with God s qualia. He has always revealed new secrets, new landmarks and pathways through the landscape, to guide us out of danger. Those who notice survive; those who don t notice, perish. Our faith, like any trait, is carried on in the survivors and on down through the generations.
