Brand New Book ***** Print on Demand *****.Ride Past the Beginners Level with these valuable tips! Python Tips and Tricks: Learn the Best Tips and Tricks to Get the Most Out of Python Now! is the best book on the market for learning how to get past your plateau in Python, full stop. But maybe you re not hitting a plateau, and you re just here to become the best programmer that you can be. Maybe you re looking for little tidbits that you might have missed in the hectic process of learning a programming language. Regardless of your intent, I m here to make sure that I help you to become the best programmer that you can possibly be. Throughout the course of this book, we re going to touch on a lot of topics, such as easily missable concepts within the realm of lists and strings, as well as broader tips to help you get the most out of the effort that you put into Python, such as becoming active within your local Python communities (and online Python communities) that you can join in order to become a better Python programmer than you are right now. I wrote this book with one goal in mind: helping you, the reader, to progress. And I ve worked hard on this in order to assure that that is exactly what happens. When you read this book, you aren t just going to be getting copy-pasted tips from Google or carelessly written pop tech articles. You re getting actual ideas and actual tips from another Python programmer who s been around the block more than once. There are a lot of books concerning being a better Python programmer on...
