

Homo Loquens: Man as a Talking Animal (Paperback)

Filesize: 6.13 MB

Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Sienna Fay Jr.)

HOMO LOQUENS: MAN AS A TALKING ANIMAL (PAPERBACK)

DOWNLOAD

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Our communication by speech can be seen as a remarkable series of transformations involving the brain, the muscles, sound-waves, the ear and finally the brain again. In this 1977 text, Dennis Fry describes and explains these processes in this fascinating and comprehensive introduction to the study of human speech. He considers too our remarkable ability to interpret speech, even in adverse circumstances, and the feat of its acquisition by the child. He finally describes the functions of the two halves of the brain in speech communication, speech disorders and pathology and the relation between mental processes and speech. Dennis Fry writes for the non-specialist and the beginning student, and both intrigues and informs. We learn what lies behind such familiar curiosities as the tongue-twister, Spoonerism and the stammer, and we get a general grasp of the physical and psychological background to all our speech functions and malfunctions.
