That s what Jenna Haines felt when she discovered that her relationship with Rex Winchester was anything but real. With a broken heart, and a deep sadness running through her veins she picked up the pieces and forced herself to move on. After all, what better place to start fresh than at University of California, Berkeley? That is until the day she finds out Rex got accepted to Berkeley too, and that he will be following her off to college. To add salt to the wounds, it seems as if he will do anything to win her back. With Rex, on the prowl and her heart being the prey can she resist his advances towards her? Even more so can she move on from the vengeful things he once did and fall into a deep bittersweet love? Or will the hate, lies, and secrets break them beyond repair? Is love really capable of healing all wounds or is everything still just a lie?.
