

Zpg: To Protect and Kill (Paperback)

By Allen David Patterson

Dari Ganzar Publishing, LLC, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the future, the Earth has changed dramatically. After nearly destroying ourselves in a global war, humans now live in peace. The Global Coalition, a group of the strongest and most developed countries surviving the economic chaos that came with decades of war, brought that peace by violently ending the fighting that had ravaged the Earth. However, that world peace came at a very dear price. We sacrificed one of humanities basic freedoms: the right to reproduce. The Global Birth Act was a brutal response by the Global Coalition to the near ecological disaster of the global war fed by overpopulation in the mid twenty-second century. Zero Population Growth, ZPG as it became known, was the agency formed to enforce the Global Birth Act. Cyborgs were originally created at the end of the war to help humanity. Dr. Bentenhausen, their creator, programmed the Cyborg brain to serve and protect humanity. They were first tasked to help clean up the environmental damage inflicted by the global war. They did so well with that task they were enlisted to help ZPG...

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
