Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from the Prologue: "Nennius, the lowly minister and servant of the servants of God, by the grace of God, disciple of St. Elbotus,* to all the followers of truth sendeth health. * Or Elvod, bishop of Bangor, A.D. 755, who first adopted in the Cambrian church the new cycle for regulating Easter. Be it known to your charity, that being dull in intellect and rude of speech, I have presumed to deliver these things in the Latin tongue, not trusting to my own learning, which is little or none at all, but partly from traditions of our ancestors, partly from writings and monuments of the ancient inhabitants of Britain, partly from the annals of the Romans, and the chronicles of the sacred fathers, Isidore, Hieronymus, Prosper, Eusebius, and from the histories of the Scots and Saxons, although our enemies, not following my own inclinations, but, to the best of my ability, obeying the commands of my seniors; I have lispigly put together this history from various sources, and have endeavored, from shame, to deliver down to posterity the few remaining ears of corn about past transactions, that they might not be trodden under foot, seeing that an ample crop has been snatched away already by the hostile reapers of foreign nations."
