Brand New Book ***** Print on Demand *****.Excerpt from The Extensive Practice of the New Husbandry, Exemplified on Different Sorts of Land, for a Course of Years The reader will perceive that the intention of this publication was to extend the practice of the celebrated Mr Tull s Horse-hoeing Husbandry, according to the genuine method of that gentleman, upon his latest improvement of it. To obtain this end, Mr. Forbes had also prepared for the press an accurate edition of Mr. Tull s Essay; containing the final rules he drew from the whole course of his experience, and his many valuable remarks, that lie almost smothered in the polemical appendixes, c. to which Mr. Tull was provoked by those literary vermin, that are as injurious to the agriculture of England, as the fly is to our turnips. And this work will not be left to the public, mould a charitable disposition, to a poor widow and distressed family, sufficiently prevail among the friends to rational agriculture.
