For more than a decade, the Registry of Fantasy Sports Champions has delighted men and some women of all ages. The only book of its kind, the Registry is a living testament to the old adage Anything is possible. What does the 14th edition have in store? More of everything: more winners, more sports. At roughly 200 pages, this latest volume is quite a heavy lift. You could kill a huntsman spider with it. Or perhaps a large mouse, when called for. So sit back and enjoy the many names to be found in this grand public record. Savor the twists and turns of fantasy tales both delightful and harrowing from across the country and around the globe. You will never view fantasy sports the same way again, and you will forever understand what it takes to be a champion. I saved 252 games in my career. But even I can't save B.J.'s book. -- Dave Righetti, long-ago MLB pitcher

B.J. has done something monumental by making meaningless information even more useless. -- Anthony Foxx, former U.S. Transportation Secretary and Charlotte Mayor

Mr. Rudell takes the worldwide discussion about fantasy sports to a new level. Not better. New. -- Grover Norquist, president, Americans for Tax Reform

Without question this book is up there with all the other books. -- Rory Scovel, former Improv Nation performer.
