## Mahara E-Portfolios: Beginners Guide

By Richard Hand

Packt Publishing Limited. Paperback. Condition: New. 328 pages. Dimensions: 9.1in. x 7.5in. x 0.8in. Create your own ePortfolio and communities of interest within an educational and professional organization. A step-by-step approach that takes you through examples with ample screenshots and clear explanations. Create, customize, and maintain an impressive personal digital portfolio of web pages and mini websites (collections) with a simple point-and-click interface. Create and manage online learning communities and social networks through groups, shared file areas, and forums. In Detail Mahara ePortfolios helps you to use software as you follow an experiential learning cycle. In Mahara you can: Plan your learning. Do what you do and gather evidence of your competence as you do those things. View and organize your work by structuring your data in easy-to-make (web)pages and (mini-website) collections of those pages. Reflect on your learning by use of professional journals, engaging feedback on your pages and establishing and engaging in online communities who share a similar interest. Mahara ePortfolios: Beginners Guide is a step-by-step guide to develop a feature-rich and highly personal electronic portfolio. Form a digital repository of reflective journals, action learning plans, presentations, reports, images and videos. Easily share this with your friends, family, tutors,...
