

JUST PLAYING? (Paperback)

By Janet Moyles

OPEN UNIVERSITY PRESS, United Kingdom, 1989. Paperback. Condition: New. Language: English . Brand New Book. Just Playing explores why we should encourage, promote, value and initiate play in our classrooms, and why teachers should be part of it. Janet Moyles draws on research findings from several countries which provide further evidence for establishing the value of play. She focuses on children between 4 and 8, examining the principles of play in early childhood education, and indicates how these principles can be put into practice. She provides a full justification for including play in the early years curriculum and encourages teachers, through examples of children at play, to review their own thinking on the issues in the light of core curriculum pressures. This is essential reading for trainee and practising nursery and primary teachers and nursery nurses; and for all those concerned with the education and development of young children.

Reviews

The most effective pdf i ever go through. It is probably the most incredible book i have got study. You wont sense monotony at at any time of the time (that's what catalogues are for relating to if you check with me).

-- **Ahmad Heaney**

This type of publication is almost everything and taught me to hunting ahead plus more. It is writter in easy terms rather than difficult to understand. Your way of life period will likely be transform once you comprehensive looking at this ebook.
