Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Academic Writing: A Handbook for International Students (4th Revised edition), Stephen Bailey, Most international students need to write essays and reports for exams and coursework, but writing good academic English is one of the most demanding tasks students face. This new, fourth edition of Academic Writing: A Handbook for International Students has been completely revised to help students reach this goal. The four main parts of Academic Writing are: * The writing process * Elements of writing * Vocabulary for writing * Writing models Each part is divided into short units which contain examples, explanations and exercises, for use in the classroom or for self-study. The units are clearly organised to allow teachers and students find the help they need with writing tasks, while cross-referencing allows easy access to relevant sections. Part three deals with areas such as nouns and adjectives, adverbs and verbs, synonyms, prefixes and prepositions, in an academic context. More key features of the book include: * All elements of writing are clearly explained, with a full glossary for reference * Models provided for all types of academic texts: essays, reports, reviews and case-studies * Full range of practice exercises, with answer key included * Use of authentic academic texts * A companion website offers further practice with a range of additional exercises * Fully updated, with sections on finding electronic sources and evaluating internet material All...
