Reviews

Extensive manual! Its this type of great read through. This can be for all who statte there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Dr. Furman Becker V)

ULTIMATE POINT OF VULNERABILITY

Wheatmark, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.A cure for cancer is discovered in the 1960s, only to be covered up by a secret syndicate, The Foundation, for fear that the cure will wreak havoc on the U.S. economy. Decades later, The Foundation, which has now gained power over nearly every aspect of American life, is trying to manage the economic crisis brought on by terrorist attacks and the same National Health Care system they had put in motion years before. Now, just as economic chaos looms, it is learned that China has the long withheld cure and intends to release it, which could further devastate the U.S. economy and its sovereignty. Will the U.S. be able to recover? Or has The Foundation taken Americans to the brink of no return? Is this America's Ultimate Point of Vulnerability, a perfect storm of divergent elements, crashing together at the same time, overwhelming enough to destroy the most powerful country in the world? About the Author Bob G. Shupe entered the insurance industry in 1977 as a finance and insurance agent for a local automobile dealership. In 1978 he was hired by the Nationwide Insurance Group as a full line agent. During his tenure he was also a district manager and commercial employee benefits and commercial property and casualty trainer. During his final years with Nationwide, Mr. Shupe was a leading independent producer for that company. It was during those years that he attained much of his technical knowledge about insurance. Bob Shupe is a much sought after speaker on the subject of health care costs. He has spoken in several states and is constantly scheduling other events concerning this very timely and controversial subject. He has...
