Copper Work - A Text Book For Teachers And Students In The Manual Arts .

By Augustus F. Rose

Das Press. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.3in. x 5.4in. x 0.4in. PREFACE. this book the subject of Copper Work, as it may be introduced into the public schools, is treated to the extent of specifying an equipment and suggesting some of the possibilities of a course. Not only will there be found an abundance of illustrative material on this subject, consisting of drawings and photographs of various objects executed by upper grammar and high school pupils, but also a detailed description of the processes necessary for the execution of many of the designs. It is not expected that the problems as given will be slavishly copied, but rather that they will make clear the methods and processes that may be applied in the working out of similar problems. It is hoped that this volume will be especially helpful to teachers in the Manual Arts who are trying to introduce Metal Work into the regular school course. The author is indebted to Charles J. Martin and Antonio Cirino, for valuable assistance in making some of the illustrations. AUGUSTUS F. ROSE. PLATE 1. Anvils LIST OF ILLUSTRATIONS. 2. Hammers - PLATE. 3. Shears and Flyers 4. Escutcheons----- 5....

Reviews

Extensive information for ebook lovers. It typically is not going to expense too much. I discovered this book from my i and dad recommended this pdf to learn.

-- Prof. Gerardo Grimes III

It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.

-- Ms. Shaina Legros III
