Date :2011-3-1. In recent years, as China's socio-economic, transport and the rapid development of tourism, tourism, business flow increased significantly, as the hotel, the hotel industry to create a huge market demand. However, hotels, hotel is a service for business, tourism and other activities, and leisure travelers a place, it needs to be a beautiful environment and convenient transportation features, the interior space, decorative design with its unique requirements. Today's hotel, the hotel has not simply a residence, but rather a set of food, housing, shopping, leisure, entertainment, social and other functions in one complex. Hotels, hotel room design is not just a continuation of building design, more importantly, for the health of reasonable hotels, hotel service and lay a solid foundation. Many colleges and universities have set up our interior design courses, and hotels, hotel room themes and designs the proportion is growing. Today, the building of hotels, the hotel has become an active urban or regional economy and an important means of cell culture, the city has become a...
