

## The Devils Tarot (Paperback)

By Kenneth Helton

AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Divination from Hell comes with unfair advantages, as one would expect. Oracles are fun, but this book comes at the future with a proactive, take-no-prisoners attitude using birth dates as power. The zodiac is expanded to triple, and all thirty-six landscapes are described with Devilish accuracy and entertaining insight. The traditionally obscure trumps of the Major Arcana are revealed in a Hellish, new light, and are, finally, made useful to the inquiring mortal. THE DEVILS TAROT is a highly original and brilliant synthesis of Eastern and Western Astrology, Numerology, and Tarot with a fool-proof sports betting and dating guide thrown in for good measure. Don't make love or war without it.

### Reviews

*The ideal ebook i actually read through. It really is written in simple words and phrases and not confusing. Its been written in an remarkably simple way and it is just after i finished reading this ebook where in fact modified me, affect the way i think.*

-- Alice Cremin

*Comprehensive manual! Its this sort of excellent read through. We have read through and i also am certain that i will going to read through once more again later on. You wont sense monotony at at any time of your time (that's what catalogs are for regarding in the event you question me).*

-- Prof. Geraldine Monahan
