This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

GOOD TO GREAT (HARDBACK)

Cornerstone, United Kingdom, 2004. Hardback. Condition: New. Language: English . Brand New Book. Can a good company become a great one and, if so, how? After a five-year research project, Collins concludes that good to great can and does happen. In this book, he uncovers the underlying variables that enable any type of organization to make the leap from good to great while other organizations remain only good. Rigorously supported by evidence, his findings are surprising - at times even shocking - to the modern mind. Good to Great achieves a rare distinction: a management book full of vital ideas that reads as well as a fast-paced novel.
