Introduction to the Study of Modern Forest Economy

By John Croumbie Brown

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1884 Excerpt: .the settlement of the native tribes, which are still nomadic, and the introduction of a European element, which of itself is capable of giving to pastoral industry all the development which it can take in Algeria. He goes on to say-- The influence on the Tell of this region so restored will be beyond all question considerable, rendering the climate more temperate, the rains more frequent and more regular; making possible to the Algeriue colonists the rearing of cattle on an extensive scale; presenting to the Arab proprietors, who are forced to yield their lands to European industry as the only means of drawing from it great profit, a new field of activity better proportioned to their means of action; giving to commerce and industry new products; and, in fine, ensuring political security by peopling the frontiers of the Sahara. 1 And in a general point...
