

Just Me, Sammie

By Marybelle Vancil

Outskirts Press. Paperback. Condition: New. 136 pages. Dimensions: 9.1in. x 6.1in. x 0.5in. Diary passages highlight this coming of age narrative. It isn't easy being the big sister to three mischievous little girls. Privacy is unheard of and often talents go unnoticed. In Just Me, Sammie, this older sister, Sammie, is simply searching for a way to become something special. Naturally, to her family, she is already very special, but Sammie needs to prove it to herself, and thus her journey begins. Sammie has a secret desire to be a writer, but where does she begin? In order to test the waters, Sammie starts a diary. Author Marybelle Vancil turns Sammie's diary entries into a yearlong search for independence, self-respect, and gives the reader a peek inside this twelve-year-old's world. One day per month is featured, with a clever narrative containing family interaction and insight as Sammie speeds through this year of enlightenment toward her thirteenth birthday. Pre-teens and young adults will most likely see a little of themselves in Sammie's journey, just as the older reader can enjoy a trip down memory lane as they fondly recall their own childhood. This item ships from multiple locations. Your book may arrive...
