Skyhorse Publishing, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Vienna, 1909. When the celebrated actor Eugen Bischoff is found dead in his garden pavilion, suspicion falls immediately on Baron von Yosch, a well-to-do army officer who was once the lover of the dead man s wife. By all appearances-the door was locked from the inside when the two shots rang out-the actor took his own life, but someone, or something, drove him to it. The baron sets out to learn all he can about the actor s death in order to clear his name. Meanwhile, within a few days, similar apparent suicides are reported. What started out as a straightforward quest to establish Bischoff s last deeds and discover the truth of his death becomes a search through the ages for an invisible enemy identified only by the actor s dying breath, when he whispered: .the Day of Judgment. Leo Perutz combines his hallmark blend of suspense and the fantastic in this spine-tingling mystery.
