THE AMERICAN FRONTIER: COLORING BOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the eighteenth century, the American Frontier was all land west of the Appalachian Mountains. Early settlers arrived, many on foot, to cross the Cumberland Gap and move westward. These pioneers came to the area for various reasons but most were looking for a fresh start in life. This educational and fun book features 20 striking images of American frontier men and women of the eighteenth century. Carefully researched and illustrated by historian and artist A. K. Fielding, these drawings represent the land, clothing and weapons of early America. The book is meant to inspire creativity and encourage a study of early American history.
