Gatehouse Publishing. Paperback. Book Condition: new. BRAND NEW, The Hunt Paris (2nd), Gatehouse Publishing, Who doesn't fantasize about living in Paris? The city just has that extra special something, and the food is to die for. Cherie, we'll show you how pastry is done: croissants, macarons, tarte tatin et al. Plus, there are historical brasseries and hotspots galore for people watching and sipping cafe au lait. But remember, you'll have to do it in style. You are in Paris, after all. If your wardrobe needs an overhaul, this is the place to chic it up so you can stroll along the Seine or pop into museums and galleries looking like you belong. On y va! This beautiful little guide fits snugly in the back pocket of your jeans, or neatly in your favorite clutch, and is packed with the inside scoop on old-school favorites, offbeat gems and hip newcomers to oh-so-chic Paris. The HUNT is a tightly curated travel guide series that focuses on the most unique eating and shopping destinations, as well as memorable lifestyle experiences and activities in each city. The HUNT editors are always residents who know their home turf inside out. We don't list everything and the kitchen sink who has time to sift through all that? Instead, we carefully select around 100 venues that are truly worth visiting. The places we support are the ones that add soul and character to their neighborhoods, making the city truly vibrant."
