Reviews

This ebook is wonderful. It typically does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).

Bookstand Publishing, United States, 2011. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.A WAY TO VIEW LIFE was largely composed from the double-bunk condo of a semi truck, much of the imagery burned into my brain while driving a big-rig up and down the US interstate highways and more than a few back roads. A radical career change from restaurants and food to long-haul trucking provided the opportunity to ferment and cement the contents and finally commit something to paper. I discovered that I had, after all, an overriding theme: and that theme is about freedom and spirit. I write from a Christian perspective, though far from religious. Like everything else that evolves over time, changes and grows, so have my spiritual life and my Christian experience. Over time I have become more Christian and less religious. And though I hope to capture a Christian, as well as a non-Christian audience, I make no apologies for irreverent content. The material does, after all, span physical time from Astride My Father s Knee to An Old Chair and it does end with devotional work. Indeed, one may discover Biblical references and religious symbolism sprinkled throughout if one looks hard enough (many have missed it), cleverly tucked, sometimes, obvious, as found in the Poems for Devotion: Prayer Sonnet Series and God Talk -- and every so often, having no apparent connection whatever, as in Walk Like A Ghost -- but it s all there: white linen, a desire for wings, and inevitable clay feet.
