Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you could speak to the dead, anyone at all, who would it be? When Jeni Taylor asked this question, Shada Emery figured it was a joke. After all, no one can speak to the dead . not really. So both she and Willow Cosgrove joined in the fun, naming their favorite dead celebrities. And then, there was Ember Cole. Enduring more tragedy than any fourteen-year-old should have to bear, all Ember wants is one more talk with her Grandpa Normie, whose death a year ago started it all. So when Jeni suggests a camping trip into the dense woods of northwestern Wisconsin, in order to hold a seance where they are sure not to be disturbed, Shada and Willow put off their misgivings and agree for the sake of their friend. Ember hopes to find the answers she seeks among the dead. Unfortunately for these four girls, sometimes the dead have their own agenda. SHADA is Book 1 of the Ember Cole series. A young adult paranormal suspense novella, it runs approximately 32,500 words. Early Praise for SHADA: This is a great book . I enjoyed SHADA very much. It s got that spine tingling fun while drawing you into the characters and their lives. -Victorine E. Lieske, NYT bestselling author of NOT WHAT SHE SEEMS and the OVERTAKING series SHADA drew me in, left me wanting more, and made me a little afraid to go outside after dark. -T.L. Haddix, author of SECRETS IN THE SHADOWS, UNDER THE MOON S SHADOW and SHADOWS FROM THE GRAVE.
