When it comes to knowledge of the Bible, many people know bits and pieces, favorite stories and characters, but they don t know the story that is really one story in Scripture. Robbie Castleman will help you put the story of God and his people together so that you ll know how all the parts and people fit, and the stories within the story will make more sense. To study the story of Scripture from Genesis to Revelation in twelve studies is an adventure that will simply make you want to take the trip again.
