FREEDOM WITHOUT PERMISSION: HOW TO LIVE FREE IN A WORLD THAT ISN T

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Freedom Without Permission takes the idea of human liberty seriously, not just as a policy for a free society but a personal philosophy for free people. There is so much wisdom here. A careful reading will save you years of diversions and get you on the right track toward building a new way of life. -- Jeffrey Tucker Too many people seek permission when trying to advance their own lives. They want external actors to open gates for them without realizing that the gates don t exist. Permission isn t needed and those who think it is create their own barriers to advancing their lives and realizing personal achievement. People believe they must look to others for permission to live their lives. They elect politicians to change the world. They believe schools award education. They believe external validation is the way to a career. They externalize their personal hardships instead of recognizing how often they inflict the hardships onto themselves. They wait for an invitation to create value when the impetus lies in their own hands and minds. They develop dependencies and preconditions that keep them from entrepreneurship. These are all myths. You don t need to ask for permission. But how do you do create a life without permission? The point of this book is to break more than to build. We are not attempting to provide a full-fledged philosophy on life without permission. Instead, the goal is to deconstruct and then offer exercises and habits of thought that will enhance your freedom. The core idea is that you don t need anyone s permission to do the things you want to do...
