Take Your Understanding of Church Teachings from Limiting to Life-Giving--and Free Your Faith to Flourish No longer sustained by easy answers, we may find ourselves standing before a three-pronged fork in the road: we can wander in the direction of conventional beliefs and practices, we can reject God and turn away from religion altogether, or we can embrace our uncertainty as an invitation to a more vital understanding of both God and religion. --from the Introduction Do you describe yourself as spiritual but not religious ? Whether young or old, church connected or not, are you spiritually restless for an authentic faith life but do not find conventional religious teachings pertinent to you? This accessible guide to a meaningful spiritual life is a salve for your soul. It reinterprets traditional religious teachings central to the Christian faith--God, Jesus, faith, prayer, morality and more--in ways that connect with people who have outgrown the beliefs and devotional practices that once made sense to them. It helps you find new ways to understand and relate to traditional, narrowly defined Christian truths that honor their full spiritual power and scope, and opens your mind and heart to the full impact of Christian teachings.
