Bent Pine Publishing, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Olivia Westerly's father disowned her when she tossed her nose in the air and left home in pursuit of a job he considered scandalous. He expected that she'd marry and settle into having babies as her friends had done; but Olivia simply couldn't tolerate the thought. Why just the mere mention of children sent chills up her spine! Believing that children weigh a woman down like a pocket full of stones, Olivia avoided such entanglements for almost forty years. But when she meets Charlie Doyle everything changes. Even though Charlie has a son, and a grandson he's supposedly never seen, Olivia is blinded by love and happily says I do. That happiness is cut short when Charlie dies on their honeymoon and Olivia returns home to find eleven-year-old Ethan Allen Doyle sitting on her doorstep. The boy's parents are dead and only two people know the truth of what happened-Ethan Allen isn't talking and the murderer wants to make certain he never does. Olivia is the only one who can stop it from happening.
