

The Sacred Texts: Mandukya Upanishad and Isha Upanishad (Paperback)

By Kathiresan Ramachanderam

Partridge India, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Given the precarious nature of the war and the possibility that Hawk s Nest may be defeated, the God-King, Amesha Spenta, has condensed in writing, the ways and means to acquire the knowledge of the ages without the aid of the Sects and to bridge the gap between the subconscious mind and the vast collective warehouse known as the super-consciousness. The sacred texts are codified in a manner that will allow posterity and the descendants of the Solar Dynasty to forge a nexus with the Brahmatma without the assistance of the Vedic Sects.
