

The Blind Giant: How to Survive in the Digital Age

Filesize: 2.97 MB

Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Prof. Buford Ziemann)

John Murray General Publishing Division, United Kingdom, 2013. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. The digital age. An age of isolation, warped communication, disintegrating community. Where unfiltered and unregulated information pours relentlessly into our lives, destroying what it means to be human. Or an age of marvels. Where there is a world of wonder at our fingertips. Where we can communicate across the globe, learn in the blink of an eye, pull down the barriers that divide us and move forward together. Whatever your reaction to technological culture, the speed with which our world is changing is both mesmerising and challenging. In *The Blind Giant*, novelist and tech blogger Nick Harkaway draws together fascinating and disparate ideas to challenge the notion that digital culture is the source of all our modern ills, while at the same time showing where the dangers are real and suggesting how they can be combated. Ultimately, the choice is ours: engage with the machines that we have created, or risk creating a world which is designed for corporations and computers rather than people. This is an essential handbook for everyone trying to be human in a digital age.
