*This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Memoir of the Reverend Octavius Pickard-Cambridge Mr. Barnes was an inspiring teacher, and my father seems to have derived from him a real interest in writing and in literature. Some essays and poems written in the years following his work at Dorchester show considerable facility and brightness, as well as seriousness of reflection. The most elaborate was a translation into English verse of part of Fenelon s Telemaque. Some of his lighter verses show the keen sense of humour which accompanied him throughout his life, and up to old age he would occasionally write a few humorous verses for special occasions. His interest in literature was not fully maintained in later life, when his reading was mainly confined to the special subjects on which he was working; but in all his more careful work he wrote in a vigorous and expressive style. It was appropriate that his most finished piece of writing should have been the memoir of his old teacher and friend, which he contributed to the Proceedings of the Dorset Field Club in 1887 - a warm tribute of admiration and gratitude, together with an appreciation of Mr. Barnes s poems, which, while disowning all attempt at criticism, shows real critical power and insight into the nature of poetry.
