By Maggie Foster

AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rainbows is my personal story of early childhood. Sharing my story has been an emotional journey and I hope that anyone who cares for children including parents, teachers, nurses, doctors and other professional carers will benefit from this insight into a child's world. It is often difficult for carers, especially professional carers, to recognise and evaluate the emotional damage that inappropriate adult behaviour has upon a child....
