By Terry Pratchett

And on the Discworld that is the job of the Monks of History, who store it and pump it from the places where it s wasted (like the underwater - how much time does a codfish need?) to places like cities, where there s never enough time. But the construction of the world s first truly accurate clock starts a race against, well, time for Lu Tze and his apprentice Lobsang Ludd. Because it will stop time. And that will only be the start of everyone s problems. THIEF OF TIME comes complete with a full supporting cast of heroes, villains, yetis, martial artists and Ronnie, the fifth Horseman of the Apocalypse (who left before they became famous).
