## THOU SHALT KILL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It is 2019 and the war in Iraq has hit its sixteenth year of continuous fighting and the financial strain on the United States is becoming increasingly untenable as the country is on the verge of financial collapse. But it's not going to stay that way as he is caught in the moral crosshairs of doing his job while being targeted by those sent to protect him. At home American society deteriorates in the ever-deepening web of capitalism. The conflict pushes mankind to the brink of total ethical collapse when black market...
