

3D Success: Changing Careers in Mid Life

By Linda Wegner

Word Alive Press, United States, 2012. Paperback. Book Condition: New. 200 x 128 mm. Language: English . Brand New Book ***** Print on Demand *****.If you re between the ages of forty-five and sixty-four and you ve got a well-padded resume, it only seems logical that a new employer will see you as the answer to his or her employee prayers. After all, your acquired wisdom, work experience, skills, and abilities are valuable; you re also probably highly motivated. Known by the term middle age unemployment bulge, your reason(s) for changing careers may include: You ve been laid off because of corporate or company downsizing. You ve gone as far as you can, or want to, in your current work. You re dealing with health issues or physical limitations. You ve decided it s time to follow a personal or employment dream. You want to create a work schedule that allows for a life for yourself You re planning or nearing retirement and your finances need some help. Whatever the reason, encouragement in the process of moving forward can be found in Linda s story. About the Author: Linda Wegner was fifty-seven years of age when, within weeks, she went...

Reviews

An exceptional book and also the font utilized was intriguing to read. This is for all who statte there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Tyson Hilpert

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
