Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Recently, Diana Gellci - an Albanian anthropologist with relations to the Albanian Institute for International Studies in Tirana - published an essay on the Albanian Blood Feud. The focus is on the content and impact of the old customary law - known as the kanun - in Northern Albania and Kosova. To foreign readers with some knowledge of Albanian history and social life in the Northern highlands it is a good companion - maybe an eye-opener too.
