## ROBERT THE ROBOT STORIES

XLIBRIS. Paperback. Condition: New. 48 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Professor Smart doesn't like doing housework so he invents and builds a robot to do it for him. It's only a structure made out of pieces of electronic equipment but gradually the professor adds more and more refinements. He teaches it to play chess but not too well because he doesn't want a robot to beat him all the time. As the robot becomes more familiar to him, the...

### Reviews

*This is an awesome publication which I have actually read. This is certainly for all who state that there was not a well worth reading through. It's been designed in an extremely straightforward way and it is merely after I finished reading this ebook in which actually changed me, affect the way in my opinion.*
