THE 11:11 CODE: SECRETS OF THE CONVENT

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The 11:11 Code: Secrets of the Convent, Hilary H. Carter, Have you ever looked at the clock and been surprised at how often it says 11.11 or 2.22 or 3.33? "The 11:11 Code" tells the story of yoga teacher Hilary Carter, who was brave enough to follow the coincidences around numbers to see what would happen. To her amazement the number signs, in particular 11.11, led her to buy an ancient convent in Andalucia, Spain. The problems this led her to were in a different league to the normal "restoring old continental properties" so common on our TV screens today. Her financial backer died, her first builder ended up in prison and her second builder was paralysed in a tragic accident. But that scratches the surface. Formerly a home to the Knights Templar, the building was both haunted and seemed to have a will of its own. This exploration of synchronicity, destiny and past lives sits with The Celestine Prophecy as an inspiring example of discovering meaning behind events. It further looks at the modern explosion of interest in the significance of 11.11, and how as a binary number it links directly to the current wars in Iraq, the Lebanon and Afghanistan. With the difference, of course, that this is a true story. You will never look at the world in the same way after reading this book, for once you are awakened to the 11.11 sign, there is no going back to sleep.
