Lerner Publishing Group, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. You can t walk straight on a crooked line. You do you ll break your leg. How can you walk straight in a crooked system? Lewis Michaux was born to do things his own way. When a white banker told him to sell fried chicken, not books, because Negroes don t read, Lewis took five books and one hundred dollars and built a bookstore. It soon became the intellectual center of Harlem, a refuge for everyone from Muhammad Ali to Malcolm X. In No Crystal Stair, Coretta Scott King Award-winning author Vaunda Micheaux Nelson combines meticulous research with a storyteller s flair to document the life and times of her great-uncle Lewis Michaux, an extraordinary literacy pioneer of the Civil Rights era. My life was no crystal stair, far from it. But I m taking my leave with some pride. It tickles me to know that those folks who said I could never sell books to black people are eating crow. I d say my seeds grew pretty damn well. And not just the book business. It s the more important business of moving our people forward that has real meaning.
