Pages Number: 178 Publisher: China Electric Power Press Pub. Date :2008-07. layered quick and efficient time-limited test in English reading comprehension. focuses on: the use of this book. teachers can use the full class limit reading training methods. Read the whole class is a time-limited classroom training speed reading methods. that is. the class set a goal to read the speed and timing by the instructor. while students in the class to read. Specific teaching operation can be carried out following two steps. The first step. training students to improve reading speed. Training to students to read the article a reference to the objectives given in the article reading time and reading marks . ask students to read a mark at every minute. Once every minute to remind students of the teacher. the students do not have to read fast and so the teacher prompts. you can continue to read. and reading speed can slow the teacher to remind students and urging continued to accelerate reading speed. The second step will be to improve students reading speed and comprehension memory combined. There are two specific ways: one is passive limit reading. Students with questions after reading the article. the target reading time is up. the teacher immediately signaled the students to stop reading. then check what the students read within the time prescribed in the article. and to ensure a higher response accuracy. Another initiative is limited to read. In Reading. students are asked to cover the issues raised later in this article. while reading the article while understanding. to identify the article s main focus. Target reading time is up....
